

Spraying and Chemicals Test

- 1 Why do we spray every 2nd row first?
 - A It is easier to turn into every 2nd row.
 - B To make sure the right amount of spray is being applied so calibration can be adjusted on next pass.
 - C In case it gets too windy.
 - D All of these.

- 2 Explain how to spray away from a variety when spraying next to it (Drift).
 - A Miss the last row beside other variety.
 - B Miss the last 2 rows beside other variety.
 - C The last 2 rows of the block, spray away from the other variety i.e. 2 half rows.
 - D Last row of block you are spraying should only have the outside half sprayed.

- 3 What should you do if you believe the wind is getting too strong to spray or spray is drifting onto people or non sensitive areas?
 - A Turn off top nozzles.
 - B Consult your supervisor.
 - C Choose a slower gear.
 - D Carry on until tank is finished.

- 4 If there is a problem with a sprayer, what should you do?
- A Carry on spraying.
 - B Tell your supervisor if you're not confident in fixing the problem yourself
 - C Fix it yourself.
- 5 If you have difficulty breathing through a respirator, what should you do?
- A Breathe slower.
 - B Take respirator off.
 - C Replace filters in respirator.
 - D Blow the filters out with compressed air.
- 6 If unsure of any instructions given what should you do?
- A Guess and hope you get it right.
 - B Ask your supervisor to explain instructions again.
 - C Nothing.
- 7 How should your respirator be stored when not in use?
- A In the spray shed.
 - B On the tractor and sprayer.
 - C In an airtight container away from chemicals.
 - D In your locker with your lunch

- 8 Before starting spraying, what should you do with tractor and sprayer
- A Check for Leaks
 - B Check pump oil level
 - C Check oil, water, diesel
 - D All of these
- 9 Measure out 225mls of water
Measure out 12mls of water
Measure out 2.4Litres
- 10 Weigh out 1.75 kgs of dirt
Weigh out 600 grams of dirt
Weight out 15.3 kgs of dirt
- 11 Explain mixing procedure.
- 12 Describe what to do when driving a full sprayer down road.

Trainer comments:

I, the Trainee, declare that I have been sufficiently trained and feel confident to safely carry out the said tasks.

Signed (*trainee*):

I, the Trainer, verify that the said Trainee has proven themselves competent to safely carry out the above tasks.
